

NOTICE n. 3 to COMPETITORS

Attached is the revised preliminary ranking, based on the pre-registrations filed as at 12th February, 2020.

Pre-entrants that as at today exceed the limit of 30 yachts per single country, or the CDL limits as per ORC 2020 regulation, are highlighted in red.

Given the exceptional number of pre-registrations even to the other races of the Rolex Capri Sailing Week, it will be difficult to host in Capri a number of ORC boats significantly higher than the 70 yachts defined in NOR 18.7.

The final ranking will be released after March 1st: while the first 70 boats in the final ranking will be berthed in Capri marina, the others will be invited to join the Championship with a berth offered in Sorrento.
